GR-BG BUSINESS PASSPORT

European Regional Development Fund

At the beginning of 2022, the team of Regional Municipalities Association "Maritza" started the development of a Business Profile of Haskovo region as well as in 2023 its update. What the development should contain was a discussion for more than a month. And the reason for this was the lack of up-to-date information that would serve businesses in the region and beyond, for proper planning and definition of specific goals that would contribute to successful economic development in the region. By finding and summarizing the data in this Business Profile, we aim to show up-to-date information about the business climate, the local economy, the workforce, the fields of education and healthcare, etc. in Haskovo region by municipalities.

We hope this is useful for you and your business. We promise this is just the beginning. We are convinced that with joint efforts we can achieve good results, so please, if you have suggestions on how and with what to improve the current product, contact us via www.maritza.info

We are expecting you!

With wishes for fruitful cooperation,
The team of RMA "Maritza"
